

Ibrahim Yahia Abd-Elnasser Ibrahim El-Mohandes

E-mail address: Ibrahim.El.Mohandes@science.sohag.edu.eg & ibrahim.el.mohandes21@gmail.com
Work address: Geology Department, Faculty of Science, Sohag University, Sohag, Egypt,
P.O: 82524, Fax: 002-093-4601159, Mobile No. (+20)1067725374, Date of birth: August 20th 1995,
Status: Single, Nationality: Egyptian. <https://orcid.org/0009-0001-7253-2087>

❖ *Objective:*

- Applying for various challenges matching my skills & character.

❖ *Personal Profile:*

- Aiming to have the chance to increase my experience that gained in geology filed, and to develop myself technically and non-technically.

❖ *Education:*

➤ *B.Sc.:*

- *May 2017*, B. Sc. In Geophysics, Faculty of science, Sohag university, Egypt.
- The overall grade: **84.98%** (The first ranking on the department) with honors.
- *Sept 2013 - May 2017*: Fellowship, Faculty of Science, Sohag University, Sohag, Egypt.

➤ *Graduation project:*

- Thermal methods in geophysics and their applications (Excellent **96%**).

➤ *Master:*

- *2020-2023*: Master degree in Geology “Micropaleontological and Stratigraphical Studies on The Upper Cretaceous - Lower Paleogene Successions of Esh El-Mellaha Area, Gulf of Suez, Egypt.”
- *2018-2019*: Pre-master in Paleontology and Stratigraphy, Faculty of science, Sohag University, Egypt, with grade (Very Good **87.57%**).

➤ *Publications:*

- Four researches in preparation.
- Nageh A. Obaidalla, Atef A. Elattaar and Ibrahim Y. El-Mohandes (2022): Stratigraphy of the Upper Cretaceous–Lower Paleogene Successions at Esh El-Mellaha Area, Gulf of Suez, Egypt: New contribution. *Sohag Journal of Science*. 7, No. 2, 97- 103. Doi: 10.21608/sjsci.2022.234308

❖ *Occupation:*

- *May 2023*: Assistant Lecturer at Geology department, Faculty of Science, Sohag University, Egypt.
- *March 2018 to April 2023*: Teaching Assistant at Geology department, Faculty of Science, Sohag University, Egypt.

❖ **Participations:**

- *February 2024:* Oral presentation about “New insights on the stratigraphy of the Upper Cretaceous-Lower Paleogene successions at Esh El-Mallaha Half-graben, Gulf of Suez, Egypt” in the Program of the 60th Annual Scientific Meeting The Geological Society of Egypt.
- *March 2021:* Oral presentation about “Stratigraphy of the Upper Cretaceous– Lower Paleogene Successions at Esh El-Mellaha Area, Gulf of Suez, Egypt: New contribution” in The Sixth Scientific Conference for Young Researchers, Sohag University, Egypt.
- *Novemembr 2019:* Participate as an oral at the 10th International Conference on the Geology of Africa held in Assiut University, Egypt.
- *February 2019:* Participate as a member in the organizing committee in 4th annual science day- Faculty of science, Sohag University.

❖ **Internships:**

- *October 2021:* A training workshop about Establishing an internal quality management system.
- *October 2021:* A training workshop about Concepts and fundamentals of quality assurance.
- *May 2021:* An Fundamentals of Digital Transformation Test Certificate.
- *March 2021:* An English Language Test Certificate.
- *August 2018:* Attended a workshop about TOT.
- *July 2018:* Attended a workshop about National and international scientific research projects.
- *July 2018:* Attended a workshop about Scientific research ethics.
- *August 2017:* A training at Sukari Mining.
- *August 2016:* A training at Agiba Petroleum Company.
- *August 2016:* A training at GPC (General Petroleum Company).
- *July 2016:* A training at Qarun Petroleum Company.
- *January 2016:* A training at Halliburton Petroleum Company yard.

❖ **Activities:**

- *2024 to Present:* Member in The Geological Society of Egypt.
- *2018 to Present:* Member in Quality Assurance Unit at Faculty of Science, Sohag University.
- *2018 to Present:* Member in Schedules committee at Faculty of Science, Sohag University.
- *2018 to Present:* Member in Laboratories committee at Faculty of Science, Sohag University.
- SEG Member (Society of Exploration Geophysicists).
 - *2016 to 2017:* Head of SC committee at SEG-Sohag-University student chapter.
- *2015 to 2017:* Kona Zyak Member (To help students of geology) “Active Member”

❖ **Skills:**

➤ *Language skills:*

- *English:* Competent.
- *Arabic:* Mother tongue.

➤ *Computer skills:*

- Fundamentals of Digital Transformation Certificate.
- IC3 Digital Literacy Certification.
- Windows operating system.
- Microsoft Office (Word, Excel, Power Point).
- Using several software programs as: ArcMap v10.5, CorelDraw12, PanPlot, Past, Origin 2017, and Adobe Photoshop 7.0 ME.

➤ *Personal Skills:*

- Team work, during my work in Sohag University and worked with different research teams in the laboratory and also during the field trips.
- Good communication skills gained through my experience as a teaching assistant for undergraduate students in the University.
- A good ability to adapt multicultural environments.
- Problem-solving attitude and skills, in addition to responsibility, self-respect and self-reliance.
- Working under pressure and achieved all targets.
