

Curriculum Vitae of Shaymaa montaser

Personal information:	Shaymaa Montaser Abd El Raheem Rezk
Date of birth:	19/12/1983
Marital status	Married
Address :	Geology Department, Faculty of Science, Sohag University, Egypt
Telephone:	01066801807
E-mail(s):	sh_montasern@science.sohag.edu.eg
Gender:	Femal
Occupational field:	Lecturer, Geology Department, Faculty of Science, Sohag University
Specialization:	Environmental Geochemistry
Qualifications:	Bachelor of Science in Geology 2004
	Master of Environmental geochemistry 2011 Assessment of the groundwater quality in Sohag Governorate, Egypt: A study in the Environmental geochemistry
	Ph.D. of Environmental Geochemistry 2019 “Geochemical and mineralogical characteristics of Nile sediments and their impacts on water quality in the Quaternary aquifer, Sohag area, Egypt
Occupation or position held:	-Demonstrator, Geology Department, Faculty of Science, Sohag University 2006 -Assistant lecturer, geology department, Faculty of Science, Sohag University 2011 -lecturer, geology department, Faculty of Science, Sohag University 2019
Supervisory and administrative positions:	-Member of the work team preparing the community services plan at the Faculty of Science 2008-2013 -Supervisor of Environmental Geochemistry Laboratory since 2011

	<ul style="list-style-type: none"> - Head of the Environmental Geochemistry Laboratory Development Committee, Department of Geology - Head of the department's website committee since 2020 -Organizing committee member of the first scientific conference for young earth scientists in Egypt -geology department Faculty of science, Sohag university (2019) -Academic advisor for students of the Department of Geology since 2020
<p>Training course</p>	<ul style="list-style-type: none"> 1-Industrial pollution control - Southern Upper Egypt Region Development Center in cooperation with the Environmental Affairs Agency - Sohag Governorate 2008 2-“Application of the geographic information systems” 11-15 December, 2010, Sohag University. 3-Methods of drinking water and wastewater analysis" - Ain Shams University 2011 4- "Wastewater Treatment Methods" - Holding Company for Drinking Water and Wastewater - Cairo 2012 5-“ Advanced applications of the geographic information systems”, 10-14, November, 2012, Sohag University.
<p>Conferences</p>	<ul style="list-style-type: none"> 1-The Third International Conference on Environmental Development in the Arab World 2007(published papers) 2-The first conference of the Holding Company for Drinking and wastewater 2012(published papers) 3-The 9 th international conference on the geology of Africa 2017(published papers) 4-The 10 th international conference on the geology of Africa2019
<p>Publications</p>	<ul style="list-style-type: none"> 1- Assessment of nitrate and the health impact in the Quaternary groundwater aquifer of Sohag governorate, Egypt. 2012 Protection of environment and water quality Journal 2- Nitrate, ammonia and phosphate and health impact in Quaternary groundwater aquifer of Sohag governorate, Egypt 2011 3- Geochemical and heavy minerals characteristics of Pleistocene aquifer sediments at Sohag area, Egypt: A Statistical approach 2019. Egyptian Mineral Resources Authority journal

	4-Chemical speciation of heavy metals of Quaternary sediments in Sohag Governorate, Egypt. 2019
