

Curriculum Vitae

Personal Information

Name : Reham Yousuf Mohamed Abou El-wafa
Position : Lecturer Assistant
Date of birth : 24/08/1996
Place of birth : Gerga – Sohag – Egypt
Marital Status : Single
Nationality : Egyptian
National ID : 29608242600727
Passport No. : A36413869
Religion : Muslim
Gender : Female
Local address : Gerga – Sohag – Egypt
Work address : Geology department, Faculty of Science,
Sohag University, Sohag, Egypt
E-mail address : reham.youssef@science.sohag.edu.eg
: Rehamyousufmohamed@gmail.com
: www.linkedin.com/in/reham-yousuf-mohamed-61b33417a
Mobile No. : +201067901250
Fax. : 002-093- 4601159
Post office : Sohag, P.O. Box 82524, Egypt

Education:

- **B.Sc.** "June, 2018" in Geophysics, Faculty of science, Sohag university, Egypt, with grade (Excellent with honors 88.49%, Ranked first over the whole class).
- **Pre-master** "October, 2020" in sedimentary rocks and sedimentology, Faculty of science, Sohag university, Egypt, with grade (Very Good 89.7%).
- **M.Sc.** "March, 2024" in geology "sedimentary rocks and sedimentology "Sedimentological and Sequence Stratigraphical Studies on Early Synrift Sediments of The Area Northwest of Quseir, Red Sea, Egypt".

Occupation:

- Demonstrator at Geology department, faculty of science, Sohag university, starting from 23/1/2019 till April, 2024.
- Assistant Lecturer at Geology department, faculty of science, Sohag university, starting from May, 2024 till now.

Experience:

- Teaching academic practical courses to undergraduate students of geology, geophysics and geology & chemistry branches as; Sedimentary paleo-environments, Sedimentary Rocks and sedimentology, Diagenesis, Sedimentary Basin Analysis, Sequence stratigraphy, Stratigraphy, Field Geology, Remote Sensing, Crystallography, Mineralogy and petrology.

- Teaching several practical courses to undergraduate students of Education, Agriculture and Engineering faculties as; Field geology, Mineralogy, Crystallography, Environmental geology, Hydrology and invertebrate fossils.
- A member in Quality Assurance Unit at Faculty of Science, Sohag University.
- A member in Schedules' committee at Geology Department, Faculty of Science, Sohag University.
- A member in Laboratories' committee at Geology Department, Faculty of Science, Sohag University.

Scientific Conferences:

- The Seventh Scientific conference for Young Researchers (**SCYR 7**), "The second international", **March, 2022**, Sohag, Egypt.
- Attending the Tenth International Conference on the Geology of Africa (**ICGA 2019**) which was held at Assiut University, Egypt, **Nov, 2019**.
- Participated in organizing the first Scientific Congress for Junior Geoscientists in Egypt (**SCJGE-1**) which was held at Sohag university **Feb, 2019**.

Publications:

- Yousuf, R., Mahran, T., & Hassan, A. M. (2023). Palustrine Limestone in an Extensional Northern Duwi basin, West of Quseir, Red Sea, Egypt. *Sohag Journal of Sciences*, 8(3), 271-279.
- Mahran, T., Hassan, A and Yousef R. (2022): Palustrine sedimentation in an episodically early syn rift subsiding subbasin: The Late Oligocene Sodmin Formation, Northern Duwi subbasin, Northwest Quseir, Red Sea, The Seventh Scientific conference for Young Researchers (SCYR 7), "The second international" (**Conference Abstract**).

Internships:

- **Al- amal 10 Program** (founded by **Egyptian Geophysical Society "EGS"**) starting from 2/9/2018 till 4/1/2019.
- (Aug., 2017) Summer Training in National Research Institute of Astronomy and Geophysics "**NRIAG**".
- (Jul., 2017) Summer Training in Offshore Shukeir oil Company "**OSOCO**".
- (Oct., 2016) Geoscientists Training Initiative "**GTI**" in Sohag university.

Visits and field trips:

Oct 2018	Field trip , Qasr El Sagha, Fayoum. Studying the sedimentary environments and facies there.
Sep 2018	Field trip, Northern Galala Plateau. Studing the structural Geology & lithology there .
Oct, 2017, 2022	Field trip , Bahariya Oasis. Studying the Geomorphology, Lithofacies and Lithostratigraphy there.
March 2017, 2021	Field trip , Quseir, Red Sea. Studying the Geomorphology, Lithofacies and Lithostratigraphy there.

Oct 2018	Visiting (Schlumberger, Halliburton & Shell Egypt) Petroleum Companies.
Oct 2018	Visiting Petroleum Geo-Services (PGS) Processing center .
Sep 2018	Visiting Western-Geco (schlumberger) Processing center.

Volunteering work:

- (2015- 2017) Founder and Member in organization and scientific committee at **SEG Sohag university student Chapter "SUSC"**.

Languages & Skills:

Languages	Arabic: mother tongue. English: Advanced (C1 Level).
Social skills	<ul style="list-style-type: none"> • Team work: during my work in Sohag University and I worked with different research teams in the laboratory and also during the field trips. • Good communication skills gained through my experience as a teaching assistant for undergraduate students in the university. • A good ability to adapt multicultural environments. • Problem-solving attitude and skills, in addition to responsibility, self-respect and self-reliance
Organizational skills	<ul style="list-style-type: none"> • Participate as a member in the organizing committee in first scientific congress of junior geoscientists in Egypt 2019.
Computer skills	<p>I have excellent Computer Proficiency in:</p> <ul style="list-style-type: none"> • Editing: Microsoft Word, Microsoft PowerPoint, Adobe Page Maker, Adobe Acrobat (Writer/Reader). • Databases: Microsoft Access and Microsoft Excel. • Photo Editing: Adobe PhotoShop. • PC Operation Systems: Windows 10. • I have an excellent experience in using several software programs as: Corel draw, Erdas Imagine 9.1, Origin lab, ARC GIS & Adobe illustrator software programs.

Courses:

- (Jan., 2023) Fundamentals of Digital Transformation Certificate.
- (Sep., 2022) An English Language Test Certificate and passed a 36-hour English Proficiency course which held at the Languages & Translation Center with a percentage of 99%.
- (Sep., 2022) Attended a workshop about Strategies of Teaching and Learning.
- (Sep., 2022) Attended a workshop about the statistical analysis in scientific research.
- (Jun., 2022) A training workshop about Concepts and fundamentals of quality assurance.

- (Jun., 2022) A training workshop about Establishing an internal quality management system.
- (Aug., 2019) **ICDL** (International Computer Driver's License).
- (Dec., 2018) Shell-Intilaaqah, Egypt (Introduction For business administration and Entrepreneurship).
- (Oct., 2018) Shell NX Ploers Workshop (Proven, Innovative, educational Program which Provides Thinking methodology for problems solving in an effective way).
- (Sep., 2018 - Nov., 2018) conversational English course at Spread Your English "SYE" (C1 level).
